

Wind

By Albert Wolfe

Verse 1

B F#/A# G#m7 F#
Walking alone with the wind on my face,
C#m7 B/D# E F#sus
It's only in dreams that I've been to this place.
G#m7 F# Em E
Now as I blink in the light of the sun,
G#m F# E
My only words are "thank you,"
G#m F# E
My only words are "thank you,"
F# B
For all that you've done.

Chorus

B E F#
And if this is the end, if tomorrow I die,
B E F#
I'll walk on the wind through the sapphire sky,
G#m F# E
The laughter and tears and what happened before,
E2 F#sus A
You don't owe me anything more.

Verse 2

B F#/A# G#m7 F#
Watching the rain pouring down from the sky,
C#m7 B/D# E F#sus
Your hand in mine, there's no question of why.
G#m7 F# Em E
Now as we gaze at our favorite star,
G#m F# E
My only words are "thank you,"
G#m F# E
My only words are "thank you,"
F# B
For all that you are.

Verse 3

B F#/A# G#m7 F#
Sitting on sand with the mist and the sea,
C#m7 B/D# E F#sus
Remembering the moments when you were with me.
G#m7 F# Em E
Now as the moon passes slowly above,
G#m F# E
My only words are "thank you,"
G#m F# E F# B
My only words are "thank you."
